Dear

MOD Safeguarding – SITE OUTSIDE SAFEGUARDING AREA

Proposal: Gateway Energy Centre - Electricity Act 1989 - Section 38C Variation of Consent Application

Location: Gateway Energy Centre, The Manorway, Stanford-Le-Hope, Essex, SS17 9PD

Grid Ref: 573030, 182158

Thank you for consulting the Defence Infrastructure Organisation (DIO) on the above Variation of Consent application. This application relates to a site outside of Ministry of Defence safeguarding areas. I can therefore confirm that the Ministry of Defence has no safeguarding objections to this proposal.

I trust this adequately explains our position on this matter.

Yours sincerely

Assistant Safeguarding Officer
