I refer to your letter of consultation regarding the above and would inform you that the Council **RAISES NO OBJECTION** to it.

- 1 There are potential impacts on Medway's significant and densely populated urban area and outlying settlements, and internationally and nationally protected habitats (Special Protected Areas, RAMSAR sites and sites of Special Scientific Interest), from changes in air quality as a result of the proposed development. The relevant consultee responses on these matters, including the RSPB, Natural England and the Environment Agency, should be taken into consideration in the determination of this application.

**Your attention is drawn to the following informative(s):-**

This correspondence relates to the letter from Dalton Warner Davis (Ref; 2746D) as received 27 August 2014 and the accompanying suite of information.

Signed

Head of Planning
