Dear Sir

Our Reference AAM/14/4

Date 11 OCT 2001

**OVERHEAD LINES
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING ACT 1990.**

With reference to the application particulars of which are specified below, I am directed by the Secretary of State to inform you that consent is hereby granted pursuant to section 37(1) of the Electricity Act 1989 ("the 1989 Act") to the installing above ground of electric lines ("the lines") particulars of which are specified below.

Pursuant to section 37(3) of the 1989 Act this consent is given subject to the following conditions:

1. Subject to regulations 50,51,71 and 72 of The Conservation (Natural Habitats, &c.) Regulations 1994, the Secretary of State may review this consent at any time after a period of five years from the date hereof, and upon such review, after giving all persons concerned an opportunity of being heard, she may vary or revoke her consent.
2. If the Secretary of State revokes this consent the lines shall be removed within such period as the Secretary of State may direct.

Pursuant to section 90(2) of the Town and Country Planning Act 1990 ("the 1990 Act") the Secretary of State hereby directs that planning permission for the Development shall be deemed to be granted subject to the following condition(s):

1. The Development to which this permission relates shall be begun not later than the expiration of five years beginning with the date hereof.

Reason: For conformity with section 91 of the 1990 Act.

2. No supports or other apparatus shall obstruct public footpaths during or after construction.

Reason: To ensure that the Development does not cause interference with public rights of way.

3. Bird diverters shall be fitted to the lines at, and adjacent to, their crossing of the River Welland and wherever "bird strike" is shown to be a problem.

Reason: To minimise any potential hazard to the bird population.

4. Within 12 months of the Development ceasing to be used for the purpose of transporting electricity, the Company shall remove the lines and restore the land to its former condition.

Reason: To ensure that the Development is removed after it ceases being used for transporting electricity.
